**Title:** B.C. Department of Lands and Forests Interim Maps collection

**Dates of Creation:** 1950-1967

**Physical Description:** 19 cm of maps

### **Administrative History:**

The **B.C. Department of Lands and Forests**, now part of the Ministry of Forests, Lands, Natural Resource Operations and Rural Development, was established in 1945 as the successor agency to the Department of Lands. The Department was responsible for the management of all public lands as per the Land Act and the administration of water rights as per the Water Clauses Consolidation Act. In 1962 the Department was renamed the Department of Lands, Forests, and Water Resources to accommodate new responsibilities and departmental structures.

### **Scope and Content:**

Collection consists of interim maps of British Columbia issued by the B.C. Department of Lands and Forests, centering on the Thompson Nicola Regional District and surrounding areas.

### **Custodial History:**

Accession 2018.060 was donated to the Kamloops Museum and Archives on July 11, 2013 by Ivor Saunders, after being collected by the donor.
